OYEAH! SPRING BREAK RETREAT

Oklahoma Youth Excited About Him (OYEAH!) is a retreat designed for junior high and high school students. In 2017, Cedar Hills hosted 169 campers from various church across Oklahoma. Six students professed salvation and one responded to God's call to ministry. Be in prayer for more to be saved at OYEAH! 2018 and that many will respond to God's invitation to live for His glory!

For 2018, several schools have changed their week of spring break. **Please be sure that you have the correct dates for OYEAH! (March 22-24).** This appears to be the week most schools are out. If these dates do not correspond with your school, we encourage all parents and churches to consider making arrangements to attend OYEAH!

Students will be challenged and inspired with several worship sessions, small group devotions, and 160 acres of outdoor activities including basketball, carpet-ball, ping pong, fishing, and miles of hiking trails. The cost is \$45 per person. OYEAH! T-shirts are available for an additional \$10. The Cedar Hills gift shop will also be open for snacks and souvenirs.

PO Box 39, Binger OK 73009

Cedar Hills AMP'd

Donations in various forms to the Cedar Hills AMP'd account will be providing several improvements for campers at Cedar Hills during the summer of 2018. The trustees of Cedar Hills met in January and voted to:

- * Purchase an **automated gate** at the front entrance which will create a safer environment for our campers. The gate will remain open as churches arrive on the first day of camp, but a code will be required for vehicles to enter the rest of the week. Sensors will allow vehicles to exit.
- * Perform dirt work at the lake to create more camper **friendly fishing spots** around the bridge and to better regulate the water level during rainy seasons.
- * Improve the recreation areas by installing a pit for **Gaga Ball** and **9-Square**.
- * Complete the **swimming pool fence**.
- * As time and funds allow, there are also plans to:
 - * replace the **deck behind the Nurse's Station** to create more sitting areas near the miniature golf course and playground.
 - * complete the **slab between the pavilion and sidewalk** to the tabernacle.

Trustees also recognize the **need to improve dormitories**. Pray for wisdom as we consider the various options. Consider how you, your church, and your business can participate in the coming years to provide better housing for nearly 2,000 campers who attend Cedar Hills every year.
